Hi Michael thank you so much for the email. Not embarrassing, you have a large organization these issues happen!
 Bob and I are taking our zinc so we are striving to meet the original deadline, however if the zinc, orange juice, etc. does not kick in and we are at risk not meeting our due date, I will contact you.

Respectfully,

Tita

Tita,

Embarrassed to say but the October 4th letter was safely kept in our CBI room the entire time. There was a miscommunication among several people. But Kevin will soon have the October 4th letter in his possession (if he doesn't by now) and he does have the October 31st letter.

If you need a little more time for the 3rd submittal please email Kevin and myself and let us know how much more time is needed.

Thank you,
Michael

Hi Michael,

The 1st response went to your attention on October 4th and the 2nd response went to Mr. Chow on October 31st. Please let me know if you would like any changes to the delivery of the 3rd response.

Sorry for the confusion!

Respectfully,

Tita

Tita,

That is for the 1st submittal or the 2nd?

I am confused (I'm not supposed to be involved in this part of the project).

The 2nd submittal went to Kevin but did the 1st go to Gary Victorine or to me?

Thank you
Michael
